

From the Desk of the Principal

It's hard to believe we are into November! This time of year goes by so fast. As we head into the cold season, please make sure your student comes prepared for the weather changes. Warm jackets, layers, gloves and hats to keep warm is essential. If you need help in acquiring a warm coat please reach out to Mrs. Gonzalez, our Communities in Schools Coordinator.

Watch Dogs

Watch Dogs Pizza Launch was a success! We had over 30 Dads attend and sign up for initial Watch Dog training! If you are interested, or know of a father figure who would like more information, you may email Melissa Ferris, Assistant Principal at Melissa.ferris@rsd.edu.

Coach Carter in the News

A huge thank you to all of the parents and family members who participated in "Bring your parent to PE Week!" it was hugely popular! Students were talking about it for days! ~ Mrs. Carter

Clothing and medications!

Each year we stock our clothing supply for situations where students may need a change of clothes. This year, our needs are for gently used or new boys and girls' underwear and pants. Greatest need is sizes 6-8 and 10-12. Accidents happen at school, and keeping an extra pair of pants and underwear in your child's backpack is helpful. Please make sure they are washed as we do not have a washer and dryer at school.

Medication is sometimes needed during the school day. If your child is taking medication that needs to be given at school for any length of time, please see the nurse in advance of sending medications to school.

This is for over-the-counter as well as prescription medications.

Kids at Hope Pledge

I am a kid at hope. I am talented, smart and capable of success. I have dreams for the future and I will climb to reach those goals and dreams every day.

Attendance Matters!

Students who are on time and ready for the day at the start of class are setting themselves up for success. This year, we are adding some special rewards to classes and individual students who are on time to school. Mrs. Gonzalez, our CIS Coordinator, picks random classes to award at the start of the day, just for being on time! All students in that class get a prize for being in class ready. We are giving classes an opportunity to get a whole class award for coming to school on time. Classes who reach their "perfect attendance" goal (17 days total) will get a pizza party in the cafeteria.
