

January 2018

Lewis & Clark Elementary

Welcome back! As the year continues on, there are many exciting events coming up at Lewis & Clark. Just to name a few...Jump Rope for Heart, class field trips, Reptile Man, and more! Please help us to ensure that all students experience success by arriving at school on time (between 8:00-8:40) each day and making any appointments outside of school hours, whenever possible.

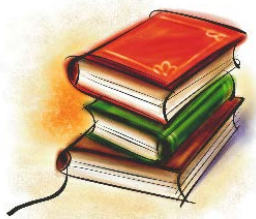

Thanks,

Mrs. Crider

Mrs. Rose's Music Program

We are excited to announce that our choir students will have the opportunity to travel to Yakima in February to perform at the Washington Music Educators Conference. This is a very special opportunity for our kids to perform for hundreds of people. They have been working very hard over the last several months getting ready for this special event. Please wish them luck!

Mrs. Ostrer's Library

Did you know that the school library is open every day, before school?! Read a book, check out a new book, or take an AR test!

EAGLES are READERS!

Shoes for PE!**

More Important News

Welcome Alejandra Torres!

We have a new face in our school office. Ally Torres joined us mid-December and is our new attendance secretary and registrar. She is a friendly new addition and speaks Spanish too! Please help us in welcoming her to our loving school family.

Temperance and Good Citizenship

This month we celebrate Temperance and Good Citizenship. Many school districts recognize this day by discussing temperance in connection with good citizenship, specifically addressing self-restraint. This idea of self-restraint is closely tied with many of the activities associated with Martin Luther King, Jr. Day. Learning on this topic will occur as part of your child's regular school day. This is a great opportunity to discuss kindness and respect for all people and how we demonstrate that at home and in school.

2018-2019 Hi-Cap Program

The Richland School District is accepting nominations for its Highly Capable Program. Nomination for both the school-based program (grades 1-8) and the QUEST program (grades 3-5) here at Lewis & Clark Elementary School will be open through January 15th, 2018.

Applications are available at our front office. Forms must be submitted to Toni Vonderhulls at 615 Snow Ave no later than January 15th to be accepted. If you have any questions you can contact Bre Kays at 509-967-6278.

Special Congratulations to The Lewis & Clark Chess Team

1st Place Team Award

Lily Deng won 1st place in the 7-12 open section - WOW.

Student Recognition

District-wide PTA Reflections Results
