

Lewis & Clark Elementary

Reptile man was a huge success! What a great experience for our students! A huge shout out to our PTA for organizing this event and being there Friday night to make it successful. We had over 200 people attend the evening event, and kids had lots of opportunities to pet the big python and hang out with the turtle! Another shout out and thank you to Scott Peterson, the Reptile Man from Monroe, for the amazing experience!

Mrs. Rose's Music Program

Mrs. Rose took our students, about 100 of them, to perform at the Washington Music Educators Conference in Yakima on Thursday. It was a phenomenal performance! This group did an amazing job! Way to go!!

Mrs. Ostrer's Library

Don't forget your library books!

EAGLES are READERS!

PTA Elections are coming soon!

If you are interested in becoming more involved, join us on February 20 for our monthly PTA meeting. We'll cover the timeline for elections and select a nominating committee. Refreshments and childcare provided!
